I had the best night on STEALTH, the guys were great! They were so entertaining and playful which made for a great time! Beautiful view of the harbour (not that there was much reason to look outside when the guys came out) Definitely recommend to any ladies, young, old, single, taken!

Thanks again for a top night!

Just wanted to say thank you for one of the best girls nights out ever. To be honest with previous male revue cruise experience we weren't expecting such a well put together night. Great waiters. Awesome food. But. The show was above and beyond our expectations in choreography, and the standard of dancing and of course. The boys were drop dead sexy! Well done! I'll certainly be speaking highly of STEALTH cruises!

To the men of Stealth Cruises, thank you for an excellent night! Sexy yet sophisticated! I have already told so many of my friends to pay a well worth visit! I'd also like to say a special thanks to the behind scenes people that often get forgotten, the meals were delicious! Top chef's on board! Again, a really great evening! Thanks!
